

ROSATO

FRESH & FRUITY dry rosé wine

Fruit-forward and bright wine with an alluring floral nose and bright finish. It has notes of cherry, summer fruits and magnolia.

Vineyard: Located in Puglia, Tenuta Viglione make wine using organic viticulture and winemaking techniques. The warm climate contributes to full fruit flavours, balanced by a freshness brought about by a cooling Mediterranean breeze, leading to very drinkable wines.

Winemaking: Stainless steel temperature-controlled fermentation. Dark skinned Primitivo gives the wine its colour and black cherry aromas, Negroamaro adds texture and roundness, whilst Nero di Troia and Aleatico add an aromatic and floral element.
