

VERDEJO

Wine of Spain
2022

Fruity white wine bursting with lemon, tangerine and orchard fruit.

Vineyard: Sandy soils in these Rueda vineyards force the vines to deep-root into the clay and lime soils. This dry farming gives more minerality and sense of terroir than in irrigated vines. Moisture and nutrients are retained and these old vines thrive, producing concentrated, flavourful fruit.

Winemaking: Stainless steel temperature-controlled fermentation. The Sanz family have been producing wines in the Rueda in Spain for over 150 years.

Serving suggestion: Seafood paella, grilled squid, goat's cheese tart or bang bang chicken noodle salad.

Single 250ml can

12 x 250ml cans

CANNED WINE CO

Winemaker: Javier Sanz Viticultor

Grape(s): 100% Verdejo

Region: Rueda, Spain
